Where the Goods are collected or to be collected by the Buyer, delivery occurs when handed over to the Buyer or when the Seller notifies the Buyer that the Goods are available for collection. The Buyer warrants that in cases where delivery is to be made by road transport by the Seller or by its carrier sufficient and suitable access to the said destination including a road surface capable of withstanding the weight and size of the transport and loads is available. In the event of any additional costs or expenses being incurred by the Seller directly or indirectly through its carrier the full amount thereof will be payable on demand.

6.2 The Buyer shall be responsible for the expense of off-loading of the Goods except where agreed otherwise in writing.

6.3 Any dates quoted for Delivery of the Goods are approximate only and the Seller shall not be liable for any delay in Delivery of the Goods however caused.

#### 7. RISK AND PROPERTY

7.1 Risk of damage to or loss of the Goods shall pass to the Buyer upon Delivery.

7.2 Notwithstanding Delivery and the passing of risk in the Goods, or any other provision of these Conditions, the property in the Goods shall not pass to the Buyer until the Seller has received in cash or cleared funds payment in full of the Price of the Goods and all other goods agreed to be sold by the Seller to the Buyer for which payment is then due.

7.3 Until such time as the property in the Goods passes to the Buyer, the Buyer shall hold the Goods as the Seller's fiduciary agent and bailee, and shall keep the Goods separate from those of the Buyer and third parties and properly stored, protected and insured and identified as the Seller's property. Until that time the Buyer shall be entitled to resell or use the Goods in the ordinary course of its business, but shall account to the Seller for the proceeds of sale or otherwise of the Goods, whether tangible or intangible, including insurance proceeds.

7.4 Until such time as the property in the Goods passes to the Buyer the Seller shall be entitled at any time to require the Buyer to deliver up the Goods to the Seller and, if the Buyer fails to do so forthwith, to enter upon any premises of the Buyer or any third party where the Goods are situated and repossess the Goods.

#### 8. WARRANTIES AND LIABILITY

8.1 Subject to the conditions set out below the Seller warrants that the Goods will correspond with any specification of the Goods forming part of the Contract at the time of Delivery and at the time will be free from defects (except minor defects) in material and workmanship.

8.2 The above warranty is given by the Seller subject to the following conditions:

- 8.2.1 the Seller shall be under no liability in respect of any defect in the Goods arising from any drawing, design or specification supplied by the Buyer;
- 8.2.2 the Seller shall be under no liability in respect of any defect arising from fair wear and tear, wilful damage, negligence, incorrect movement, installation or erection, failure to follow the Seller's instructions (whether oral or in writing), misuse or alteration or repair of the goods without the Seller's approval.

8.3 In the event of loss or damage occurring to Goods during transit where the Goods are transported by the Seller or its carrier the Buyer must give written notice to the Seller within two working days of the date of Delivery and further where such Goods are consigned by a carrier of the Seller the Buyer must in addition comply in all respects with that carrier's conditions of carriage for notification for omissions from the Delivery or loss or damage in transit. The Buyer must give written notice to the Seller within three working days of receipt of Invoice if the Goods have not been delivered by the Seller or its carrier to the Delivery Address. Failure to give written notice pursuant to this sub-clause shall mean that the Buyer shall be deemed to have accepted the Goods as being in good order and in conformity with the Contract.

8.4 Any claim by the Buyer which is based on any defect in the quality or condition of the Goods or their failure to correspond with specification shall (whether or not Delivery is refused by the Buyer) be notified in writing to the Seller within 7 days from the date of Delivery or (where the defect or failure was not apparent on reasonable inspection) within a reasonable time after discovery of the defect or failure. If Delivery is not refused, and the Buyer does not notify the Seller accordingly, the Buyer shall not be entitled to reject the Goods and the Seller shall have no liability for such defect or failure, and the Buyer shall be bound to pay the Price as if the Goods had been delivered in accordance with the Contract.

8.5 Where any valid claim in respect of any of the Goods which is based on any defect in the quality or condition of the Goods or their failure to meet specification is notified to the Seller in accordance with these Conditions, the Seller shall be entitled, at the Seller's sole discretion, to replace, repair, supply a repair kit or in other ways rectify the Goods (or the part in question) free of charge, or refund to the Buyer the Price of the Goods (or a proportionate part of the Price), but the Seller shall have no further liability to the Buyer.

8.6 Except in respect of death or personal injury caused by the Seller's negligence, the Seller shall not be liable to the Buyer by reason of any representation, or any implied warranty, condition or other term, or any duty at common law, or under the express terms of the Contract, for any consequential loss or damage (whether for loss or profit or otherwise), costs, expenses or other claims for consequential compensation whatsoever (and whether caused by the negligence of the Seller, its employees or agents or otherwise) which arise out of or in connection with the supply of the Goods or their use or resale by the Buyer, except as expressly provided in these Conditions.

8.7 The Seller shall not be liable to the Buyer or be deemed to be in breach of the Contract by reason of delay in performing, or any failure to perform, any of the Seller's obligations in relation to the goods, if the delay or failure was due to any cause beyond the Seller's reasonable control. Without prejudice to the generality of the foregoing, the following shall be regarded as causes beyond the Seller's reasonable control:

- 8.7.1 Act of God, explosion, flood, tempest, fire or accident;
- 8.7.2 war or threat of war, sabotage, insurrection, civil disturbance or requisition;
- 8.7.3 acts, restrictions, regulations, bye-laws, prohibitions or measures of any kind on the part of any governmental, parliamentary or local authority;
- 8.7.4 import or export regulations or embargoes;
- 8.7.5 strikes, lock-outs or other industrial actions or trade disputes (whether involving employees of the Seller or a third party);
- 8.7.6 difficulties in obtaining raw materials, labour, fuel, parts or machinery; and
- 8.7.7 power failure or breakdown in machinery.

8.8 Subject as expressly provided in these Conditions, and except where goods are sold to a person dealing as a consumer (within the meaning of The Unfair Contract Terms 1977), all warranties, conditions or other terms implied by statute or common law are excluded to the fullest extent permitted by law.

8.9 Where the goods are sold under a consumer sale (as defined by The Consumer Transactions (Restrictions on Statements) Order 1976) the statutory rights of the Buyer are not affected by these Conditions.

8.10 Save for liability for death or personal injury resulting from negligence of the Seller the Seller's aggregate liability under any one claim or under the total of all claims arising from any one act or default of the Seller howsoever such claim or claims arise (be it by negligence, breach of contract, misrepresentation or otherwise) shall in no circumstances exceed one and a half (1.5) times the Price of the Goods which are the subject of the claim.

#### 9. INSTALLATION

The installation of the Goods is the Buyer's sole responsibility.

#### 10. INSOLVENCY OF BUYER

10.1 This clause applies if:

- 10.1.1 the Buyer makes any voluntary arrangement with its creditors or becomes subject to an administration order or (being an individual or firm) becomes bankrupt or (being a company) goes into liquidation (otherwise than for the purpose of amalgamation or reconstruction); or
- 10.1.2 an encumbrancer takes possession, or an administrative receiver or administrator is appointed, of any of the property or assets of the Buyer; or
- 10.1.3 the Buyer ceases, or threatens to cease, to carry on business or suffers any action in consequence of debt; or
- 10.1.4 the Seller reasonably apprehends that any of the events mentioned above is about to occur in relation to the Buyer and notifies the Buyer accordingly.

10.2 If this Clause applies then, without prejudice to any other right or remedy available to the Seller, the Seller shall be entitled to cancel the Contract or suspend any further deliveries under the Contract without any liability to the Buyer, and if the Goods have been delivered but not paid for the Price shall become immediately due and payable notwithstanding any previous agreement or arrangement to the contrary.

#### 11. TOOLING

Any tooling created or used by the Seller to make the Goods shall remain the property of the Seller.

#### 12. INTELLECTUAL PROPERTY

All intellectual property rights in the tooling and goods shall vest in the Seller absolutely and the Buyer shall at the Seller's expense execute any documents or do any acts necessary to give effect to the vesting of such rights in the Seller.

#### 13. MAKING ORDERS OF GOODS VIA WEBSITE

13.1 When making an order on the Seller's website, irrespective of any previous price the Buyer has seen or heard, once the Buyer selects Goods that it wishes to order, it will then be shown or told the charges it must pay including VAT, if applicable, and any applicable delivery charges. Depending on the weight of the item and destination for delivery, the Seller may advise the Buyer of a different delivery charge (orally, electronically or in writing) after the Buyer has submitted its order and asked the Buyer to confirm (orally, electronically or in writing) that the Buyer still wishes to proceed at that delivery charge, but in any event before the Seller accepts the Buyer's order.

13.2 When the Buyer orders on the website, the Buyer shall pay for the Goods at the time of ordering by one of the methods stipulated on the website, which the Seller requires in order to process the Buyer's order. The Seller shall not be bound to supply before the Seller has received cleared funds. The Seller may obtain the money for payment of the Goods before the Seller has accepted the Buyer's order.

13.3 The Seller reserves the right to obtain validation of the Buyer's payment details before providing the Buyer with the Goods.

13.4 The Seller may in its discretion refuse to accept an order from the Buyer.

#### 14. RETURNING THE GOODS WITHOUT FAULT

14.1 Where the Contract is a Distance Contract, and the Buyer purchases the Goods as a Consumer (i.e. any natural person who is acting for purposes which are outside his business), unless the Goods are made to the Buyer's specifications (for example, where the Buyer chooses the dimensions, or orders a non-stock item) or clearly personalised or which by reason of their nature cannot be returned, the Buyer may cancel the Contract and return any delivered or collected Goods to the Seller for any reason at all, provided that the Buyer must have notified the Seller in writing before the Seller's acceptance of the Buyer's order and 7 working days beginning with the day after the day on which the Buyer receives the Goods. The return of the Goods must be to the address notified to the Buyer at the time the cancellation is acknowledged by the Seller.

14.2 If the Buyer returns the Goods as provided above:

- 14.2.1 the Seller will only be obliged to accept them if the Buyer returns them in their original condition. The Goods are the Buyer's responsibility and at the Buyer's risk until the Seller receives them. The Buyer shall be responsible for paying all the costs of returning the Goods; and
- 14.2.2 within 30 days of the Buyer's notice of intention to return, the Seller shall refund the payment made by the Buyer or the Buyer's credit or debit card company.

14.3 If the Seller has not received the Goods within 15 days of the Buyer's notice of intention to return, the Buyer agrees that the Seller will be authorised to collect the Goods from the Buyer and obtain from the Buyer or the Buyer's credit or debit card company its reasonable charges for the cost of collection and return of the delivered Goods under the cancelled Contract.

#### 15. GENERAL

15.1 No waiver by the Seller of any breach of the Contract by the Buyer shall be considered as a waiver of any subsequent breach of the same or any other provision.

15.2 If any provision of the Contract is found by any court, tribunal or administrative body of competent jurisdiction to be wholly or partly illegal, invalid, void, voidable, unenforceable or unreasonable it shall to the extent of such illegality, invalidity, voidness, voidability, unenforceability or unreasonableness be deemed severable and the remaining provisions of the Contract and the remainder of such provision shall continue in full force and effect.
